

**GRANT FUNDING OPPORTUNITY FOR DAIRIES**  
**CDFA - Alternative Manure Management Program 2018**

CDFA's Alternative Manure Management Program (AMMP) provides financial assistance for non-digester manure management practices that reduce greenhouse gas emissions.

Do you have a manure management project that you have already started planning and designing? Then this funding opportunity may be able to assist you with costs to implement your project.  
*Examples include: manure separators, composting facilities, compost bedded pack barns, and those that help increase pasture time for cows.*

HCRCD may be able to offer assistance to producers with their 2018 applications. Please contact HCRCD to find out how.
